42	262155	CONARC	DA & ARMIES (Continental)	<p>DA IN 281305 - This Hq is publishing a revised surface movement schedule which will be couriered ABOE addressees as soon as it is printed.</p> <p>This change will designate Lauderdale as the outloading Port for the 3d and 4th Increments of TF Charlie, 1st ARMD DIV and will speed up the introduction of TF Charlie into the objective area by from one to three days. It will also schedule arrival of the 2d increment of 2/69th MED TK BN from Savannah to the objective area on D-Day rather than D Plus 3. Other minor changes are included.</p> <p>Movement directive for moving the Third and Fourth increments of TF Charlie, 1st ARMD DIV will be issued by separate action.</p>	<p>Significant Events Journal</p>
43	262330	CONARC	CGUSARMYTHREE	<p>DA IN 281250 - A review of the JDP-FLAK Troop List reveals that 415 personnel and 61 aircraft would be provided by Ft Rucker. Study indicates pilot tng at the Sch would have to be reduced by approximately 50% and Mechanic Tng by 60%. Continued opn of the school is mandatory and resources of the school are not available to meet the above requirement.</p> <p>It is desired that aircraft and aviation personnel requirements for JDP-FLAK be held to a minimum so that the present tng at the Avn Sch is not reduced and only resources from the Avn Cen less the Sch are levied.</p> <p>Desire you determine if 4 to 6 H-34 Helicopters, 4 to 6 H-13 Helicopters, 6 to 8 L-19 or L-20 aircraft with photo equip (with Min essential personnel) will be sufficient to support JDP-FLAK. If more aircraft are required, desire you submit complete justification.</p>	Journal
